Message *from* **CEO**

Education must provide the opportunities for self-fulfillment; it can at best provide a rich and challenging environment for the individual to explore, in his own way. And that is what **NIMTT** aims at.

I strongly emphasize everyone should be provided with an opportunity to get education & adequate training to explore their potential for contributing in the social development by utilizing their intellectual skills in a best possible manner.

It is my endeavor to make ‘Education for all’, the dream of our visionaries, come true. My conception is to provide an education system which would strengthen the students, nation and the entire world through valued education.

I wish to initiate life long knowledge among all & make quality education accessible and affordable to all who aspire & have zeal to learn.

NIMTT has come up with lots of opportunities open for all age groups.

We have collaborations with 12 reputed universities so that through **NIMTT** students can avail all types of courses according to their requirements.

NIMTT has got efficient Research team to carry out day-by-day development. We have the honour to have empanelled guides of renowned Universities & IITs from all over India who constantly help and guide our students.

NIMTT provides its students best services including contact classes and regular classes as per the needs of the students enrolled and best Practical & Internship as per the course structure.

Moreover, we have fully functional Placement Advisory Bureau (PAB) for placing students through out India.

I whole heartedly thank the parents and the students who in their faith have been patronizing the initiatives in my endless drive of making **NIMTT** an ideal place to learn and to become worthy citizens.

My goal is to support the efforts of our students to make the most of the educational & extra curricular opportunities that **NIMTT** offers. We welcome your comments, questions & suggestions, and wish you well in all your efforts here.

Samir Nath
CEO & Director

Company Profile

HISTORY

OF

NIMTT

The Organisation NIMTT was at first known as NITT (National Institute of Technical Training) formed in the year 2004 in the month of June by a great visionist Mr Samir Nath , an Electronics & Telecomm Engineer and a Management Professional and Ms Nayna Nath , a General Graduate .With the brand NITT , it introduced around 30 job oriented courses with monopoly courseware and best industry demand syllabus. By the year end of 2005 the mission was to introduce some professional Management courses where both the visionist found that the name should have the word “management” within it and therefore the name suggested was “NIMTT” which was “NATIONAL INSTITUTE OF MANAGEMENT AND TECHNICAL TRAINING” NIMTT was a Division formed under a resolution by the members of the Society named BAGHAJATIN MECHANICAL TRAINING EDUCATION SOCIETY, an Organization Regd under the Govt of West Bengal under Society Registration Act XXVI of 1860 in the year 2005.After the formation we have actively started to work in

- a) IT Education
- b) Management Education
- c) Corporate Training
- d) Software Development
- e) Web- Designing

The Organisation has its Registered Office at L1/9 , Vidyasagar Military Road, opp Baghajatin state general hospital ,1st & 2nd Floor, Kolkata-700047.The Organisation addresses business opportunities in the retail training and the education segment with a thrust on long term career courses and the high end short term courses in IT ,Multimedia and soft skill training.The Organisation also had a significant business at segment where it offered total training solutions to Govt , Corporate and working professionals. In the year 2006 the Management Body has thought to opt for quality policy and the Organisation has achieved the ISO 9001:2000 Certification. The Organisation has opened two branches in two places one in Kolkata city and the other in another state in Agartala in the state of Tripura. As we are always into development, the main members of the existing society ,The President and The Vice-President came together and formed a Company named NIMTT COMPUTER TECHNOLOGY PVT LTD under Ministry of Corporate Affairs, Govt of India and Company Act of 1956 in the month of July 2008. The Brand “NIMTT” is also Registered under Trade Marks Registration Act ,Govt of India in the year 2009 April. The Company has in house capability of developing new concepts and solutions. With more than 4years of experience in the field of IT, NIMTT has fully independent Creative & Designing Team and also Programming team. In order to serve the latest and the best training solutions towards students the Company constantly upgrades themselves to the latest and the most appropriate technology available in the industry. NIMTT is always motivated by new innovations and upcoming technology and believes that the sky is the limit. Hence there is a constant endeavor to update and enhance the existing solution with respect to that of the latest and the best technology in the market.NIMTT has been committed to creating a people driven organization since its inception and has built a very competent, stable and motivated core team of professionals. Every associate is a part of NIMTT Family and not just a faceless resource. Every member can expect to be treated as an individual with respect, dignity and integrity. NIMTT has created a management style that focuses on creating a sense of belonging, a feeling of Ownership and an Entrepreneurial attitude.NIMTT is also providing a well rounded experience to its professionals that include acquisition of business domain knowledge. The company is very fortunate to have highly educated and experienced personalities, the Board of Directors as well as the Board of Advisors who understand the necessity and the demand of the today's market and guides us in development

OUR VISION:

To Redefine Education and spread in each & every corner of the Country and provide the best opportunity to all as per their Capability & Entrepreneurial Attitude.

MISSION:

The Academy looks at providing its students with a global perspective in the everchanging world of technology by creating a dynamic environment where they can learn and access all the latest information. This would create a learning culture that would help them grow and become technologically literate.

OUR DIFFERENCE

We differentiate ourselves in the education market by providing Quality Education , 100% Education Solution ,Outstanding services for the deserving , Innovation and Industry thought Leadership

REGULATORY BODIES

The **University Grants Commission (UGC)** of India is a statutory organisation set up by Union government in 1956, for the coordination, determination and maintenance of standards of university education. It provides recognition for universities in India, and provides funds for government-recognised universities and colleges. Its headquarters are in **New Delhi**, and six regional centres in Pune, Bhopal, Kolkata, Hyderabad, Guwahati and Bangalore.

The **All India Council for Technical Education (AICTE)**, is the statutory body and a National-level council for technical education, under Department of Higher Education, Ministry of Human Resource Development. Established in November, 1945 first as an advisory body and later on in 1987 given statutory status by an Act of Parliament, AICTE is responsible for proper planning and co-ordinated development of the technical education and management education system in India. The AICTE accredits postgraduate and graduate programs under specific categories at Indian institutions as per its charter.

Distance Education Council (DEC) is an organisation based in New Delhi, India responsible for the promotion and coordination of the open university and distance education system and for determination of its standards in India. The Council was constituted under the Indira Gandhi National Open University Act (1985).

The **National Assessment and Accreditation Council (NAAC)** is an organization that assesses and accredits institutions of higher education in India. It is an autonomous body established in 1994, funded by University Grants Commission of Government of India based in Bangalore.

The **Bar Council of India** India is a statutory body that regulates and represents the Indian bar. It was created by Parliament under the Advocates Act, 1961. It prescribes standards of professional conduct and etiquette and exercises disciplinary jurisdiction. It sets standards for legal education and grants recognition to Universities whose degree in will serve as a qualification for students to enrol themselves as advocates upon graduation.

The **Pharmacy** education and profession in India up to graduate level is regulated by the **Pharmacy Council of India (PCI)**, a statutory body governed by the provisions of the Pharmacy Act, 1948 passed by the Indian Parliament. The Pharmacy Act 1948 was enacted on 4.3.1948 with the following preamble- "An Act to regulate the profession of pharmacy. Whereas it is expedient to make better provision for the regulation of the profession and practice of pharmacy and for that purpose to constitute Pharmacy Councils". The PCI was constituted on 9.8.49 under section 3 of the Pharmacy Act.

The **National Board of Accreditation (NBA)**, India was established by AICTE (All India Council of Technical Education) as an autonomous body under section 10(u) of AICTE act, 1987 for periodic evaluations of technical institutions & programmes basis according to specified norms and standards as recommended by AICTE council. It has the full authority to recognise or derecognise institutions and programmes under them. It is the only authorized body in India entrusted with the task of undertaking accreditation of technical education programmes
